SECTION 4 - JURISDICTION:

4.01 This section recognizes that there are many cooperative work practices existing under the current Labor Agreement. This section is not meant to change those existing practices, but to enhance the current practices to ensure the efficient operation of the mill.

4.02(a) Although employees will be expected to work primarily within their regular jobs, employees will assist each other and perform work outside their regular jobs to the extent their skills permit in order to enhance efficient operations. Prior to implementation, the Company and the Union will form a committee made up of representatives of the Company and the Union to meet to mutually discuss, in good faith, ways to enhance the use of this section and discuss concerns about the use of this section prior to utilizing the grievance procedure. If there is an issue of dispute the committee will try to resolve the dispute in accordance with the intent of this agreement. It is understood that the committee may involve others who may contribute to the resolution as they mutually decide.

4.02(b) If the committee cannot resolve the dispute, the issue may be submitted to the grievance procedure. However, if the Company has not followed the process contained in 4.02(a) above prior to making a disputed work assignment and/or practice, the Union may submit the issue directly to arbitration and the Company agrees not to continue or implement the disputed practice and/or assignment during this period.

4.03 Although employees will be expected to work primarily in their regular jobs, employees will be expected to assist each other, and to perform work outside of their regular assignment anywhere in the mill to the extent their skills permit, in order to mitigate immediate safety risks, quality problems, environmental disruptions, or production loss. Employees temporarily assigned to other work under this paragraph will not be replaced on their regular jobs, unless the assignment is necessary in order to provide skills which are not available without the assignment.

4.04 An employee whose regular job is not operating may be assigned to any other work within their Union's jurisdiction for which they are qualified. Employees will not be assigned to work outside their jurisdiction without their consent. Extra board employees may be assigned to any work without regard to Union jurisdiction.

4.05 It is understood that all employees are expected to assist other employees as needed to the extent their skill and availability allows in the preparation and performance of maintenance repair.

4.06 Employees will not be disciplined for improper work when assigned to work for which they have not received the necessary training.

SECTION 5 - NO INTERRUPTION OF WORK:

5.01 It is expressly agreed that during the term of this contract there shall be no work slowdowns, stoppages, strikes, or sympathy strikes nor picketing of any kind or form whatsoever; these no-strike provisions shall be broadly construed to prohibit all strikes by employees, no matter the reason for the strike. It is agreed there shall be no lockouts by the Signatory Company during the period of this Agreement.

5.02 In the event that in violation of the provisions of the preceding paragraph, a strike, walkout, or other interruption of work shall occur in the mill of the Signatory Company, neither the Signatory Union nor the Local Union shall be subject to financial liability for such violation provided that the Signatory Union and the Local Union involved immediately after the beginning of such violation shall have (1) publicly declared such action a violation of this Agreement, and (2) in utmost good faith used its best efforts to terminate such violation, it being further agreed that any employee participating in such violation shall in the discretion of the Signatory Company be subject to immediate discharge or other disciplinary action.

The time of starting and ending each holiday, in addition to any variation which occurs pursuant to the preceding sentence, may be further varied by mutual agreement of the management and the Union Standing Committee.

6.04 Subject to compliance with all the conditions set forth below, an employee who is on the payroll of the Signatory Company on any one of the holidays listed in this Section will be granted eight (8) hours holiday pay at the straight time rate of the job plus such additional compensation to which he is entitled under other sections of the Agreement.

6.05 The employee must have been on the payroll for not less than ninety (90) days just preceding the holiday, and must have worked at least 260 hours during such ninety days, provided, any employee whose failure to so work 260 hours caused by curtailment of operations, shall nevertheless be deemed to be in compliance herewith if he has been on the payroll of the Signatory Company for the one hundred and eighty (180) days just preceding the holiday and has worked at least 520 hours during such 180 days, and

6.06 The employee must have worked his scheduled work day before and his scheduled work day after such holiday, unless failure to work his scheduled workday before or after the holiday was due to any of the following events:

6.07 (a) When the employee is on his regularly authorized paid vacation;

6.09 (c) When the operation in which the employee is engaged is curtailed or discontinued by the decision of management and which curtailment or discontinuance changes or eliminates the employee's scheduled workday before or his scheduled workday after such holiday;

6.10 (d) When a trade in shifts agreed upon between employees and approved in advance by management results in a temporary change of the scheduled workday before or the scheduled workday after a holiday, provided the employee works the shift agreed upon;

6.11 (e) When bona fide sickness or bona fide compelling reasons beyond the control of the employee prevents the employee from working all or part of his scheduled workday before or his scheduled workday after a holiday, provided the employee affected, or the Local Union in his behalf, brings the case to management's attention within a reasonable time and management approves such reasons as being bona fide and beyond the control of the employee;

6.12 (f) When the employee prior to a holiday has made a written request to be excused from working all or part of his scheduled workday before and/or after such holiday and has received the written approval of management. Failure to grant approval will not be subject to the adjustment procedure but the Union Standing Committee may discuss with the Company any action which appears to it to be discriminatory.

6.13 It is understood and agreed, however, that an employee shall not receive the holiday pay provided above in 6.04 of this section if he is directed to work on his regular job (or relief job if he is then working on a relief job) on such holiday and fails or refuses to work, except in the case where a bona fide sickness or other bona fide reason approved by management prevents his working on such holiday.

6.14 In the event an employee has established his Floating Holiday with his supervisor, and then is required to work that day due to production requirements, he shall be allowed to reschedule the holiday or receive time and one-half plus holiday pay at the discretion of the employee. Employees will not be required to receive pay in lieu of scheduling a future holiday, provided

the employee requests a scheduled Holiday in accordance with the paragraph below.

- 6.15 Any floating holidays not scheduled or taken by the end of the contract year will be paid to the employee at the rate of eight (8) hours straight time rate.
- 6.16 Once a floater is approved by management, it will not be changed by management unless for emergency reasons.
- 6.17 Requests for a floating holiday submitted between January 1st and February 1st will be given seniority preference. Requests after February 1st will be received forty-five (45) days or less prior to the date to be taken. Such requests will be granted on a first-come, first-serve basis. Approval for a day off will be given at least thirty (30) days in advance.

SECTION 7 - WAGES:

- 7.01 Wage rates in accordance with Exhibit A, attached hereto and made a part hereof, shall be paid.

SECTION 8 - HOURS OF WORK:

- 8.01 Both parties to this Agreement are committed to maintain, but not guarantee, the principle of a basic work week of forty (40) hours in the Signatory Mill; but agree that additional time may be worked to permit the operation or protection of the mill when paid for as shown in Exhibit A.

SECTION 9 - DEFINITIONS:

- 9.01 Whenever used in this Agreement, including Exhibits, the male noun or pronoun is used to include the female noun or pronoun, where applicable, and:
- 9.02 The words REGULAR EMPLOYEE mean an employee filing a position listed in Exhibit A on a regular scheduled basis or an employee regularly employed in a utility capacity, unless such employee has been personally notified in writing that his employment is extra, temporary or probationary.
- 9.03 The words TOUR WORKERS mean employees when engaged in operations scheduled in advance for at least twenty-four (24) hours continuous running, it being understood, however, that if a tour worker is temporarily assigned to work not connected with the continuous operations on which he is usually employed, his status as to tour or day worker during such temporary assignment is determined by the nature of such assignment. All other employees are considered day workers.
- 9.04 EXTRA BOARD EMPLOYEES are those employees who are hired for no specific positions and may be assigned to any position as a temporary replacement to supplement regular

employees within the Company to perform temporary work either as a day worker or as a Tour Worker.

- 9.05 The word DAY means a period of twenty-four (24) hours beginning at 7:30 a.m., or at the regular hour of changing shifts nearest to 7:30 a.m. in the particular mill.

SECTION 10 - SCHEDULING EMPLOYEES' WORKING TIME AND DAYS OFF:

- 10.01 In scheduling employees' working time and days off, the Company will comply with the following obligations and restrictions:
- 10.02 The Company shall assign two (2) days off each week for each regular employee, except where this is inconsistent with the schedules involved, in which case, one (1) day off shall be assigned. The Company shall make reasonable and diligent effort to so arrange schedules that the designated day off of any employee and any scheduled day off for the same employee shall be consecutive. DESIGNATED DAY OFF means the second day off in a week when applied to an employee who has two assigned days off in that week and means the single assigned day off when applied to an employee who has one assigned day off in that week. SCHEDULED DAY OFF means only the first day off in a week when applied to an employee who has two assigned days off in that week.
- 10.03 An employee transferred after the start of the week, from one job or shift or schedule to another, shall, solely for the application of the Call Time and Overtime provisions, retain his assigned day or days off but only for the remainder of that week. This provision does not apply to Extra Board employees who will be scheduled for two (2) days off within each work week. The first day off will be considered the Scheduled Day off and the second (2nd) day off will be considered the Designated Day off.
- 10.04 The Company will not, solely for the purpose of avoiding the payment of overtime, change the

day or days off of a regular employee in a week in which a holiday specified in Section 6 occurs.

- 10.05 An employee who has been required to work on his assigned day or days off shall not be laid off on one of his scheduled workdays in the same week solely for the purpose of limiting his hours of work to forty (40).
- 10.06 When an employee is off work due to a shutdown of his job, department, or plant extending for not less than forty-eight (48) hours in excess of that normally encountered in his projected work schedule, the assigned days or days off previously applicable to such employee shall not be in effect.
- 10.07 When the weekly crew schedule is prepared, hourly employees will not be scheduled as relief supervisors, or on special projects, if in doing so overtime is assigned to fill vacancies in the line of progression.
- 10.08 Relief supervisors may be utilized for vacation relief and special projects. These relief supervisors shall only be used for sixty (60) working days in any rolling twelve (12) month period. After sixty (60) days the employer will meet with the Union, on request to discuss in good faith, and mutually agree on any extensions. Days that employees choose to work as a relief supervisor on their days off will not be included in the sixty (60) days described above.

SECTION 11 - ALLOWANCE FOR FAILURE TO PROVIDE WORK:

- 11.01 In case any employee reports for work, whether it be one of his regular days, or on his days off, having been ordered to report for such work, and then no work is provided, he shall nevertheless receive three (3) hours pay for so reporting, provided, however, that if there has been insufficient time for notification of the employee by the employer or if the employer has been unable to notify the employee after making a reasonable effort, no allowance for so reporting shall be paid.
- 11.02 In any day where an employee has commenced work on his regular scheduled shift, he shall receive a minimum of four (4) hours pay, at straight-time rate, except in cases of breakdown, accident, or interruption of power. This exception shall not apply to employees commencing work on any shift beginning later than eight (8) hours after the discovery of the breakdown, accident or interruption of power.
- 11.03 **Note:** It is agreed that, in case of power or equipment failure, the Company is to provide work for employees or notify them as to the duration of interruption or the time for resumption of operation. In the latter case, Call Time will be paid to employees who are not provided with work or who are not held on the job and are recalled to work during the same day.

SECTION 12 - CALL TIME:

- 12.01 Regular hourly-paid employees will be paid three (3) hours Call Time at the straight-time day rate in addition to the actual hours worked, subject to the following conditions:
- 12.02 Call Time will be paid if, in accordance with instructions from management, an employee works on his designated day off as defined in Section 10 and Section 11, subject to the following exceptions marked (1), (2) and (3):
- 12.03 (1) When an employee works beyond his shift into his designated day off for a period not to exceed four (4) hours, no Call Time is payable.
- 12.04 (2) When an employee starts his following day's work within his designated day off, no Call Time is payable if the period of work within the day off does not exceed two (2) hours and if at least thirty-six (36) hours notice thereof has been given prior to the start of such work.
- 12.05 (3) No Call Time will be payable if thirty-six (36) hours advance notice is given of the required work assignment.
- 12.06 Call Time will be paid if, in accordance with instruction from management, an employee works on a scheduled day off as defined in Section 10 and Section 11, subject to the following exceptions marked (1) and (2):
- 12.07 (1) When an employee works beyond his shift into his scheduled day off for a period not to exceed four (4) hours; no Call Time is payable.
- 12.08 (2) No Call Time will be payable if thirty-six (36) hours advance notice is given of the required work assignment.
- 12.09 Call Time will be paid if, in accordance with instruction from management, an employee punches out, either during or at the end of his regular shift and reports for work again in the same day subject to the following exceptions marked (1), (2) and (3):
- 12.10 (1) When the additional period of work in the same day results from a reasonable meal period, no Call Time is payable.
- 12.11 (2) When the additional period of work in the same day results from a single recall during a shift after a suspension of work of one hour or more due to a failure of equipment or interruption of power, no Call Time is payable.
- 12.12 (3) When the additional period of work in the same day extends into the starting time of the employee's established shift on the following day, no Call Time is payable if the period of work within the same day does not exceed four (4) hours and if at least thirty-

six (36) hours notice thereof has been given prior to the start of such work.

- 12.13 Call Time will be paid if, in accordance with instructions from management, the starting time of an employee's work is changed to a new starting time either earlier or later than the previously established starting time subject to the following exceptions marked (1), (2) and (3):
- 12.14 (1) When notice of the change in starting time is given at least thirty-six (36) hours prior to the newly established starting time, no Call Time is payable.
- 12.15 (2) When the change in starting time is for a temporary period only, no Call Time is payable for the second change in starting time when the employee changes back to his previously established starting time at the end of the temporary period.
- 12.16 (3) When the change of starting times is made to Extra Board employees.
- 12.17 It is agreed that the starting time of an employee's work may be changed at any time by the management.
- 12.18 It is further understood and agreed that in the payment of Call Time on the basis provided in this Section, not more than one basis shall be used to cover the same period of work, nor will Call Time be added to or paid in lieu of allowance payable under Section 12 or Section 13.

SECTION 13 - ALLOWANCE TO TOUR WORKERS:

Changes - Fourdrinier Wires and Clothing

- 13.01 Tour workers who put on Fourdrinier wires, and/or clothing, shall be paid for the time worked plus four (4) hours, but no less than a total of four (4) hours on any one wire.
- 13.02 All machine wash-up done preparatory to putting on such a Fourdrinier wire and/or clothing shall be construed as clothing or wire time and paid for as such.
- 13.03 In cases where more than one machine is involved, the above allowance shall be paid for each machine.
- 13.04 Pay for the allowance time provided above shall be figured at straight time even though the actual time worked is paid for at the overtime rate.
- 13.05 Provisions of this article will apply to tour workers assigned as day workers.

SECTION 14 - STARTING AND STOPPING WORK OF TOUR WORKERS:

- 14.01 When a tour begins, each tour worker is required to be in his place. At the end of a shift, no tour worker shall leave his place to wash up and dress until his mate has changed his clothes and reported to take on responsibility of the position. If a tour worker does not report for his regular shift, his mate shall notify the foreman. He shall then remain at his post until a substitute is secured and, if necessary, he shall work an extra shift. It is the duty of a tour worker to report for his regular shift, unless he has already arranged with his foreman for a leave of absence. If unavoidably prevented from reporting, he must give notice to his foreman or at the office at least four (4) hours before his tour goes on duty.

SECTION 15 - STARTING AND STOPPING WORK OF DAY WORKERS:

- 15.01 Day workers shall be at their respective posts ready to begin work at the time their pay starts and shall not quit work in advance of the time their pay stops. - 15.02 Where employees have scheduled lunch and rest breaks, such scheduled periods may be changed to meet operating conditions and rescheduled at a different time as soon as possible.
- 15.03 Employees are normally not expected to leave plant premises after the start of their scheduled shift. Should it be necessary to leave the plant during lunch or rest periods, employees will inform their supervisor prior to leaving and punch out and back in on the time clock.

SECTION 16 - HIRING, WARNINGS, SUSPENSIONS AND DISCHARGE:

- 16.01 The Company has the sole right to hire, discipline, and/or discharge any employee. Simpson agrees to exercise its right to discharge and discipline when it has just cause. If any employee or the Union feels that a discharge is unjust, it may request to take the matter up with his supervisor within seven (7) calendar days following the discharge or the date Union notification is made whichever is later. If the issue has not been resolved within five (5) workdays, the employee or Union may proceed to utilize the grievance and arbitration sections commencing at Step II of the procedure.
- 16.02 The Company reserves the exclusive right to establish reasonable company working rules which shall be binding on all employees when they are reduced to writing and posted on specified bulletin boards. New rules, or changes in rules, may be subject to discussion between the Union Standing Committee and Local management. In case of disagreement, the grievance procedure may be used.

The Standing Committee of the Local Union will be notified of the discharge or suspension as soon as possible following the action taken.

- 18.02 Supervisors are to confine their instructions and procedures within the generally accepted standards of safe practices.
- 18.03 The Local Union and the Company shall cooperate in selecting one or more safety committees which will meet at least once a month to consider all safety problems and safety rules.
- 18.04 After one (1) year on the payroll, the Company will pay up to \$ 125 toward the purchase of safety shoes per contract year. Such shoes may be purchased through the mill safety shoe program or through any vendor chosen by the employee provided that the shoes purchased meet the standards established by the Company. In order to be reimbursed, the employee will be required to provide proof of purchase.
- 18.05 It is understood that working more than sixteen (16) continuous hours is not desirable to maintain a safe working environment and will be avoided if possible. If it is necessary to work more than sixteen (16) continuous hours an employee will be relieved upon the employee's request or when the supervisor believes the employee cannot perform the work in a safe manner.

SECTION 19 - SENIORITY:

- 19.01 In promotions and layoffs, the principles of seniority will govern qualifications considered. In any case of promotion, layoff, or reemployment, the Union Standing Committee shall be consulted by the management and be privileged to present recommendations which will be considered by the management prior to the decision by the management. In cases where time does not permit such prior consultation, the management shall take temporary action only, until recommendations of the Union Standing Committee can be obtained. Management shall give the Union Standing Committee written notice in each instance in which it, without the agreement of the Union Standing Committee, decides to and does promote, layoff or reemploy, out of seniority, on the ground that a senior employee is not qualified. The Local Union may pursue a complaint as the management's evaluation of qualifications provided that within ten (10) days after receipt of such written notice of management's decision, Local Union gives written notice to management that it desires consideration of the complaint by the Mill Manager and the Local Union concerned. If a satisfactory settlement is not reached at that level, the Union may carry the issue through all further steps in the manner and under the provisions of the Agreement covering adjustment of complaints.
- 19.02 The following seniority program shall be applied:

- 19.03 When a temporary layoff of jobs occurs that lasts less than seven (7) work days or is expected to last less than seven (7) work days, the regular employees scheduled to the curtailed jobs will revert to the Extra Board and will be allowed to use their seniority to replace junior extra board employees on the same shift provided they are qualified to perform the work. The rescheduling of employees will be arranged as soon as practical without loss of efficiency to the operation but no later than three days (3) following the curtailment.

In addition, if the lay-off is anticipated to last or lasts more than seven (7) days, curtailed employees will be scheduled for jobs they are qualified to perform using their mill seniority at the next usual time for scheduling the week's work. A new work schedule for the work week beginning on Monday at 7:30 A.M. will be created if the curtailment occurs or is announced prior to Friday at noon.

If there is a vacancy in a department, other than vacations, for longer than fourteen (14) calendar days, based on seniority, the senior qualified employee (including the extra board) will have the opportunity to follow the shift on a senior move. An Extra Board employee on a senior move will receive overtime on his / her days off at the rate of the job to which he/she is assigned.

- 19.04 When a permanent layoff of regular jobs occurs the following curtailment procedures will apply:

- 19.05 If the curtailment is in the Paper Mill, employees whose jobs are to be curtailed may use their progression seniority to displace the junior employee in order of jobs previously held within the progression ladder. Employees who do not have enough seniority to stay in the progression ladder will use their Paper Mill seniority to bump the junior employees from the Paper Mill bid positions. Employees who do not have enough seniority to stay in the Paper Mill will bump the junior employees on the Extra Board. Employees who are displaced from the Paper Mill may displace the junior employees on the combined Mill Extra Board. While on the Extra Board, Paper Mill employees will use their total mill service for non-bid purposes. For bid purposes in the Paper Mill their Paper Mill seniority plus combined Mill Extra Board seniority will be used. For bid purposes in the Pulp Mill only their combined Mill Extra Board seniority will be used.

- 19.06 If there is a permanent curtailment in the Pulp Mill, employees in curtailed jobs may use their Pulp Mill seniority to displace the junior employee on the combined Mill Extra Board. While on the Extra Board, Mill seniority will be used for non-bid purposes. For bid purposes in the Pulp Mill, their Pulp Mill seniority, plus combined Mill Extra Board seniority will be used. For bid purposes in the Paper Mill only their combined Mill Extra Board seniority will be used.

Senior regular employees who incur more than 30 days of consecutive curtailment will be offered training in other areas of the Mill to meet Mill requirements.

Regular employees who are permanently curtailed will retain the right to bid on any posted vacancy. Further, those permanently curtailed employees will retain the right to the next entry

level job in the department they were curtailed from, based on their department seniority and qualifications. The rights of this paragraph will terminate upon the acceptance of any other bid job.

Employees will retain their grand-father position while holding a bid relief position.

- 19.07 Employees who use their seniority to bump other employees must have the qualifications to learn and perform the work before they will be allowed to bump. If the efficiency of the mill would not be affected, employees may be allowed to choose not to exercise their seniority bumping rights and choose to be laid off instead of laying off a junior employee.
- 19.08 Any employee who is laid off must keep the Company and the Union advised of his whereabouts. Any employee shall have a reasonable time to report for work after a layoff, having been notified to do so, failing to report, he shall lose all seniority privileges.
- 19.09 Should an employee elect to transfer from one department to another, the employee will in practically all cases, start in the new department at the lowest paid job. Promotion within the department will be, as far as practicable, by hourly rate. An employee electing to transfer from one department to another or to accept a promotion shall retain seniority rights to his previous job for a period of up to thirty (30) working days after certification. Promotion or transfer will be approved or disapproved by Management within thirty (30) working days. The thirty (30) working days can be extended by mutual consent of the Local Union and the Company for up to an additional thirty (30) working days. Seniority rights of all employees affected by the transfer or promotion in question shall be protected for an additional period up to thirty (30) working days.
- 19.10 An employee may voluntarily decline a promotion for a bona fide reason and shall be permitted to retain his existing job without prejudice.
- 19.11 When a vacancy occurs in an entry level position of any department, (except the jobs designated with an "*" on the wage rate schedule) notices will be posted on designated bulletin boards, giving employees seven (7) calendar days to make application in writing for such a job.

A job bid will be posted within two weeks following the decision to fill an entry-level vacancy. In situations where the job is designated and announced as temporary for less than 6 months, the job may be filled by assignment. If the temporary situation extends past 6 months the Union and the Company will meet to decide the best method of filling the job.

1. All bids will show the number of positions being bid.
2. The posted bid will be up for seven (7) calendar days.
3. Upon notification, the successful bidder will have forty eight (48) hours to accept the bid position and to accept training.
4. All bids that are posted will be exhausted before re-bidding the position.

5. Employee pay during the training / certification procedure will be at the employee's regular rate of pay. Extra board employees will receive base rate while training and certifying.
6. Pay after the training / certification period of any bid will be at the rate at which the job bid pays.
7. Bid relief's will not exceed four (4) unless approved by both the Union and the Company.

An employee will only be the successful bidder for one bid position at any time, provided that the training begins in 45 days of the posting selection and the training is completed within 6 months of the posting. If the training is not commenced or completed within the specified period, the employee may bid on other relief jobs without penalty or loss of rights to the first bid. No employee will be permitted to successfully bid on more than two job bids in any consecutive 12-month period. If the employee is disqualified by the Company, the employee will not be charged with a bid under this paragraph.

If a senior Bid Relief or permanently assigned employee is not trained and certified within six (6) months, the employee will receive the higher rate of pay when the junior employee is working in the position.

- 19.12 Application of employees who are absent on vacation shall be honored for not more than three (3) days after their return to work.
- 19.13 The Company will grant a leave of absence as a matter of right to any employee who is elected to an official position, or is delegated by the Union to perform work which necessitates temporary cessation of work for the Company for a period of not over six months if such leave of absence does not interfere with or hinder continued operation of the plant in any way without loss of accumulated seniority or the right to continued employment, upon the completion of the work such person is performing for the Union.
- 19.14 The Company will notify the Union in advance of curtailments, layoffs, and promotions in advance of implementation. If the Union requests, a meeting will be held to discuss the issue.
- 19.15 Newly hired regular employees shall be considered as probationary employees for a period of ninety (90) working days following the last date of hire. However, if the employee is retained in the employ of the Company after the expiration of the ninety (90) day probationary period, his seniority shall revert to such last day of hire. The probationary period may be extended by mutual consent.
- 19.16 Probationary employees only have rights and benefits as specified in the Labor Agreement and may be terminated without recourse to the grievance and arbitration procedure.
- 19.17 A regular employee who has a bona fide reason, such as a certified medical condition may be permitted to demote in the line of progression to a level that will allow the employee to work up at least one level in the line of progression. If no such job exists in the line of progression,

or the employee so chooses, the employee will be placed on the extra board. An employee so demoted will lose all rights to the previous job, and will become the senior employee in the new job classification. The job secured by demotion will be considered as the employee's regular job for future actions. The respective Union will be notified before an employee is placed back on the Extra Board.

- 19.18 When qualified production employees are required to work during a shutdown, in the event enough qualified volunteers cannot be secured, the junior qualified employee in that classification will be required to work.
- 19.19 Medical Leave - an employee, after having served the required probationary period, may be granted a leave of absence for medical reasons upon the presentation of a certificate from a reputable physician setting forth the reasons justifying the request. Such leave of absence shall begin at the time recommended by the physician retained by the employee, and shall continue until such time as the physician determines the employee is physically able to resume the normal duties for which the employee was employed.
- 19.20 Employees returning to work from a leave of absence will be returned to the job they occupied at the time their leave became effective, provided they are qualified (physically and job-wise), and have the necessary retained seniority.
- 19.21 Seniority and employee rights to employment shall cease under any one of the following conditions:
 - 19.22 (1) When an employee voluntarily leaves the employ of the Company;
 - 19.23 (2) When an employee is discharged unless reversed through the grievance procedures;
 - 19.24 (3) When an employee fails to return from leave of absence as scheduled;
 - 19.25 (4) When an employee fails to return from lay-off upon recall as specified herein;
 - 19.26 (5) When an employee has been on lay-off for one (1) year;
 - 19.27 (6) When an employee has been disabled from work due to a compensable industrial illness or injury for twenty-four (24) consecutive months;
 - 19.28 (7) When an employee has been on non-industrial illness or injury leave for eighteen (18) months;
 - 19.29 (8) When an employee is medically certified to being totally disabled from further employment.

20.03 (2) Is notified to report for work with less than one (1) hour prior notice and is required to work four (4) consecutive hours.

20.04 If requested, an additional meal, which shall be hot if practical, shall be furnished at a usual meal time by and at the expense of the employer to an employee qualifying above for each additional four (4) consecutive hours worked beyond eleven (11) hours, and to an employee qualifying if he is required to work for eight (8) consecutive hours; provided that an employee other than a regular employee shall not be entitled to the benefit above unless he then has an established work schedule.

- 21.44 The vacation must be taken within the June 1 through May 31 vacation base year; that is, it may

- 21.49 Employees may receive pay in lieu of vacation time off for weeks of vacation over four (4) weeks at any time by submitting their request in writing at least 15 days in advance of the requested payment. Vacation that is not scheduled and used by the end of the vacation year will be paid to the employee within 15 days following the completion of the vacation year.
- 21.50 It is further agreed to permit each eligible employee to take all weeks of his total yearly vacation entitlement on a shift-to-shift basis. Should all employees in that classification refuse, the junior qualified employee will be required to change shifts and take the step up.

- 21.53 Employees will not have their scheduled vacation cancelled within two (2) calendar weeks from the start of the scheduled vacation, without approval of the employee, except in cases of emergency.
- 21.54 Qualified employees who retire or become deceased during the vacation year will be paid vacation benefits they have earned as of the prior June 1 but not yet taken and prorated vacation for the hours the employees accrued since the prior June 1 until the employee retired or became deceased.

 2. Day shift employees electing to use vacation during curtailment will be remunerated at a rate of 10.0 hours per day(s) of vacation used.
- Any leftover vacation days of less than one (1) full week cannot be used to extend other full weeks of vacation or used as floating holidays, sick leave, or to cover absence incidents. Any vacation left will be paid out at the end of the vacation year.

- 23.03 The arbitrator shall be authorized and issue a decision and award in writing on any grievance as defined above presented for arbitration. The fees and expenses of the arbitrator shall be shared equally by the Employer and the Union. All other expenses shall be borne by the party which incurs them. The decision of the arbitrator, rendered in accordance with this Agreement, shall be final and binding, however, the arbitrator shall have no authority to modify this Agreement, whether by adding to or subtracting from the terms of this Agreement. Provided, however, the arbitrator may not find that the Union or the Employer violated this Agreement if the action of the Union or Employer was required, by law, to be done, this proviso includes, but is not limited to, any settlement agreement made with any governmental agency, to resolve allegations of alleged employment discrimination. Proof of any issue of fact before the Arbitrator shall be decided on the basis of the preponderance of the evidence.
- 23.04 The rights and duties to request/demand arbitration under this Section shall apply only to matters occurring or arising prior to termination of this Agreement. A dispute which is based, in whole or in part, on events that occur after termination of this Agreement is not subject to the arbitration provisions of this Section 23.

SECTION 24 - EFFECT OF AGREEMENT:

- 24.01 It is the intent of the parties that the provisions of this Agreement will supersede all prior agreements and understandings, oral or written, expressed or implied, between such parties and shall govern their entire relationship and shall be the sole source of any and all rights or claims which may be asserted in arbitration hereunder or otherwise. Where previous contract language has been renewed, verbatim, in this Agreement, it is intended that such language shall continue to have its prior meaning and effect.
- 24.02 Subject only to the specific provisions of the Agreement, the management of the facilities and the direction of the working force shall be the exclusive right of the Employer.

SECTION 25 - PROVISIONS FOUND TO BE IN CONTRAVENTION OF LAWS:

- 26.08 Any employee paid on an hourly basis will, in addition to his straight time pay, receive overtime at the full time hourly rate of the job for all work performed in excess of sixteen (16) consecutive hours.

- 30.01 The wage rates will be specifically as listed in the Wage Schedule attached hereto and are effective as indicated on the Wage Schedule.
- 30.02 The rates described in the preceding paragraph shall remain in force until the termination of this Agreement, excepting as to any changes which may be made by (1) mutual agreement between the Signatory Parties, or (2) adjustments resulting from provisions of the wage increase portion of the agreement.
- 30.03 When major changes are made in the mill, which create new jobs or substantially change duties of existing jobs, management will evaluate the job and inform the Union concerned of the new rate or rates, without delay. The Union, if not satisfied with the new rate, may negotiate the rate

with management provided such request to negotiate is made within thirty (30) days from the date the new rate is established. If no satisfactory rate can be established, the Union Standing Committee and the Company committee will each make a final rate proposal. If there is no resolution the Union may request the dispute be presented at step five of the grievance procedure, and submitted to the arbitration process. The arbitrator's authority will be limited to an award of either party's final rate proposal. If the dispute is not submitted to arbitration the Company's final rate offer will be the effective rate for the job. The effective date for the new rate will be the date the employee started work in the changed job or the date that the union requested evaluation of the position which ever comes later.
